

Department of Justice

§ 77.4

or Territory where a Department attorney is duly licensed and authorized to practice as an attorney. This term shall be construed in the same manner as it has been construed pursuant to the provisions of Pub. L. 96-132, 93 Stat. 1040, 1044 (1979), and Sec. 102 of the Departments of Commerce, Justice and State, the Judiciary, and Related Agency Appropriations Act, 1999, Pub. L. 105-277.

(j)(1) The phrase *where such attorney engages in that attorney's duties* identifies which rules of ethical conduct a Department attorney should comply with, and means, with respect to particular conduct:

(i) If there is a case pending, the rules of ethical conduct adopted by the local federal court or state court before which the case is pending; or

(ii) If there is no case pending, the rules of ethical conduct that would be applied by the attorney's state of licensure.

(2) A Department attorney does not "engage[] in that attorney's duties" in any states in which the attorney's conduct is not substantial and continuous, such as a jurisdiction in which an attorney takes a deposition (related to a case pending in another court) or directs a contact to be made by an investigative agent, or responds to an inquiry by an investigative agent. Nor does the phrase include any jurisdiction that would not ordinarily apply its rules of ethical conduct to particular conduct or activity by the attorney.

(k) The phrase *to the same extent and in the same manner as other attorneys* means that Department attorneys shall only be subject to laws and rules of ethical conduct governing attorneys in the same manner as such rules apply to non-Department attorneys. The phrase does not, however, purport to eliminate or otherwise alter state or federal laws and rules and federal court rules that expressly exclude some or all government attorneys from particular limitations or prohibitions.

[Order No. 2216-99, 64 FR 19275, Apr. 20, 1999, as amended by Order No. 2650-2003, 68 FR 4929, Jan. 31, 2003]

§ 77.3 Application of 28 U.S.C. 530B.

In all criminal investigations and prosecutions, in all civil investigations and litigation (affirmative and defensive), and in all civil law enforcement investigations and proceedings, attorneys for the government shall conform their conduct and activities to the state rules and laws, and federal local court rules, governing attorneys in each State where such attorney engages in that attorney's duties, to the same extent and in the same manner as other attorneys in that State, as these terms are defined in § 77.2 of this part.

§ 77.4 Guidance.

(a) *Rules of the court before which a case is pending.* A government attorney shall, in all cases, comply with the rules of ethical conduct of the court before which a particular case is pending.

(b) *Inconsistent rules where there is a pending case.* (1) If the rule of the attorney's state of licensure would prohibit an action that is permissible under the rules of the court before which a case is pending, the attorney should consider:

(i) Whether the attorney's state of licensure would apply the rule of the court before which the case is pending, rather than the rule of the state of licensure;

(ii) Whether the local federal court rule preempts contrary state rules; and

(iii) Whether application of traditional choice-of-law principles directs the attorney to comply with a particular rule.

(2) In the process of considering the factors described in paragraph (b)(1) of this section, the attorney is encouraged to consult with a supervisor or Professional Responsibility Officer to determine the best course of conduct.

(c) *Choice of rules where there is no pending case.* (1) Where no case is pending, the attorney should generally comply with the ethical rules of the attorney's state of licensure, unless application of traditional choice-of-law principles directs the attorney to comply with the ethical rule of another jurisdiction or court, such as the ethical rule adopted by the court in which the case is likely to be brought.

(2) In the process of considering the factors described in paragraph (c)(1) of

§ 77.5

this section, the attorney is encouraged to consult with a supervisor or Professional Responsibility Officer to determine the best course of conduct.

(d) *Rules that impose an irreconcilable conflict.* If, after consideration of traditional choice-of-law principles, the attorney concludes that multiple rules may apply to particular conduct and that such rules impose irreconcilable obligations on the attorney, the attorney should consult with a supervisor or Professional Responsibility Officer to determine the best course of conduct.

(e) *Supervisory attorneys.* Each attorney, including supervisory attorneys, must assess his or her ethical obligations with respect to particular conduct. Department attorneys shall not direct any attorney to engage in conduct that violates section 530B. A supervisor or other Department attorney who, in good faith, gives advice or guidance to another Department attorney about the other attorney's ethical obligations should not be deemed to violate these rules.

(f) *Investigative Agents.* A Department attorney shall not direct an investigative agent acting under the attorney's supervision to engage in conduct under circumstances that would violate the attorney's obligations under section 530B. A Department attorney who in good faith provides legal advice or guidance upon request to an investigative agent should not be deemed to violate these rules.

§ 77.5 No private remedies.

The principles set forth herein, and internal office procedures adopted pursuant hereto, are intended solely for the guidance of attorneys for the government. They are not intended to, do not, and may not be relied upon to create a right or benefit, substantive or procedural, enforceable at law by a party to litigation with the United States, including criminal defendants, targets or subjects of criminal investigations, witnesses in criminal or civil cases (including civil law enforcement proceedings), or plaintiffs or defendants in civil investigations or litigation; or any other person, whether or not a party to litigation with the United States, or their counsel; and shall not be a basis for dismissing

criminal or civil charges or proceedings or for excluding relevant evidence in any judicial or administrative proceeding. Nor are any limitations placed on otherwise lawful litigative prerogatives of the Department of Justice as a result of this part.
